A funding partner for your clients

Dream Star Capital is a commercial loan broker. When the business owners and investors you advise need capital, you can introduce them to us. We work the file, keep you updated on status, and, where it is legally permitted, pay a referral fee when a referred deal is funded.

Since 2008 | **$1B+ in commercial credit experience** | **Southeast & nationwide**

WHAT WE FUND

- SBA loans
- Working capital
- Equipment financing
- Lines of credit
- Invoice factoring
- Commercial and multifamily real estate
- Unsecured funding based on personal credit, when it fits a business need
- Salon suite build-out and expansion funding, available nationwide

IDEAL REFERRALS

- Business owners who need capital for operations, equipment, hiring, or expansion
- Real estate investors financing or refinancing commercial or multifamily property
- Clients in Georgia, Florida, Alabama, North Carolina, and South Carolina, and nationwide in selected niches
- Owners planning an acquisition, or buying the property their business occupies
- Salon suite operators and franchisors funding a build-out or a new location
- Files that are not a perfect fit — if we are not the right partner, we will say so

HOW IT WORKS

01

Become a partner

Tell us about your practice. There is no cost to join.

02

Introduce a client

Use your referral form or a short email. We follow up and copy you.

03

We work the file

We help package the request and introduce it to funding partners who may be a fit. You receive status updates. If the deal is funded, and a fee is legally permitted, we pay you under our referral agreement.

WHAT YOU CAN EXPECT

- No cost to join, and no upfront fees for your clients
- Intro language and a one-pager you can use with clients
- Application-status updates only — not financials or credit details
- A referral fee on funded deals, where legally permitted. Fees to licensed professionals, including CPAs and attorneys, may be restricted by their professional rules

Dream Star Capital is a commercial loan broker, not a lender. We introduce clients to a network of funding partners. Whether a file is approved, at what rate, and on what timeline depends on the lender and the file. Referral fees are paid only when a referred deal is funded, subject to our referral agreement, and only where legally permitted.
